

THRIVE IN SPANISH - BASIC 2

A communicative Spanish course designed to make sure you have the tools you need to thrive in daily life in Mexico.

STUDY PLAN

WEEK 1 - WHAT ARE YOUR DUTIES

Learn to say what you need to do using time expressions. Let's learn weather vocabulary too.

WEEK 2 - DESCRIBE YOUR HOME

Learn house vocabulary and put it into practice. You'll learn useful vocabulary to rent a house in Mexico too.

WEEK 3 - COMPARISONS

Learn the structure of how we compare in Spanish. Then put it into practice with useful vocabulary to describe your surroundings.

WEEK 4 - ORDERING FOOD

Describe flavour and learn how to order in a very natural way. Learn the difference between bien and bueno and start using future tense (voy a)

WEEK 5 - TALK ABOUT YOUR COUNTRY

Learn vocabulary to describe your country and its people (personality). You'll see an example with Mexico.

WEEK 6 - MY DAILY ACTIVITIES

Let's remember how to use reflexive verbs and put it into practice.

COURSE STRUCTURE

LIVE CLASS

Each week you will take one 75-minute live class with a native teacher online. You'll also have a 30-minute live class with a tutor who ONLY speaks Spanish to put in practice what you've been learning. These classes are designed to keep you talking as much as possible so that you build confidence and fluency.

VOCABULARY APP

Membership to this course gives you access to our course vocabulary in the Quizlet app. Study the class vocabulary ahead of time so that you are ready to start speaking as soon as the class starts!

GOOGLE CLASSROOM

Keep watching the Google classroom group for new materials and to be able to ask your classmates and teacher questions between classes.

SYLLABUS

All of the vocabulary, questions, activities, and target language for each class is listed in this syllabus. Feel free to prepare your answers in advance if you are not sure. Remember, the plan is to speak as much as possible in class. For this reason, there will be no surprises. If you feel confident enough to improvise in class, go ahead! If you need a little more support, arrive prepared.

Sign up to our mailing list to get access to even more materials and to hear about new courses as they become available!
