

THRIVE IN SPANISH - BASIC 1

A communicative Spanish course designed to make sure you have the tools you need to thrive in daily life in Mexico.

STUDY PLAN

WEEK 1 - SELF INTRODUCTION

You'll learn basic greeting and how to introduce yourself in Spanish including your job.

WEEK 2 - FAMILY

Learn numbers, start practicing basic Spanish verbs and talk about your family

WEEK 3 - COLORS, EMOTIONS

Study vocabulary related to emotions and feelings
You'll be able to start talking more about you and people around you.

WEEK 4 - ORDERING FOOD

Start learning 'I like' and 'I don't like' in Spanish.
Learn vocabulary related to food and let's order in a restaurant.

WEEK 5 - DESCRIBE PEOPLE

What are you like? Let's learn to describe people and clothes too.

WEEK 6 - MY DAILY ACTIVITIES

Start using basic verbs to talk about your daily routine. After this, put into practice everything you learned with your teacher.

COURSE STRUCTURE

LIVE CLASS

Each week you will take one 75-minute live class with a native teacher online. You'll also have a 30-minute live class with a tutor who ONLY speaks Spanish to put in practice what you've been learning. These classes are designed to keep you talking as much as possible so that you build confidence and fluency.

VOCABULARY APP

Membership to this course gives you access to our courses vocabulary in the Quizlet app. Study the class vocabulary ahead of time so that you are ready to start speaking as soon as the class starts!

GOOGLE CLASSROOM

Keep watching the Google classroom group for new materials and to be able to ask your classmates and teacher questions between classes.

SYLLABUS

All of the vocabulary, questions, activities, and target language for each class is listed in this syllabus. Feel free to prepare your answers in advance if you are not sure. Remember, the plan is to speak as much as possible in class. For this reason, there will be no surprises. If you feel confident enough to improvise in class, go ahead! If you need a little more support, arrive prepared.

Sign up to our mailing list to get access to even more materials and to hear about new courses as they become available!
